

# alagnaSKIoff-piste

Claim the best snow for your holiday.

Discover the Alagna Freeride Paradise with us!

Alagna is the perfect place to ski big off-piste runs away from the crowds. Thanks to the MonterosaSki lifts we can easily reach runs among the most exciting of the Alps.

This freeride area is an ideal place for beginners and experienced skiers due to the huge variety of terrain.

Ski with qualified professional AlagnaGuides with years of experience.

## Program:

Morning meeting at the cablecar bottom station with briefing about avalanche risk, weather and snow conditions. Check of the personal gear.

Up with the cablecar and then we usually start with some warm-up runs on piste and off-piste to get ready for the day. Our aim is to search for the best snow and get the best from the day, with the nicest runs for your ski technique and skills.

## alagnaSKIguides

## What do our Guides do with you:

- Teach you ski technique and skills in off-piste always with an intensive daily program.
- Guide you safely in the best runs searching for the best snow... and understanding why it is there!
- Teach you all they know about weather, snow, staying safe, avalanches.
- Teach basic information about rescue and practice the new techniques in searching in an avalanche.
- Last but not least search for the best food and the best drinks!
